Dear Seattle Resident

Last week, we mailed you a letter asking for your help with a study about how water decisions should be made in Washington.

If you or someone in your household has already completed the questionnaire, please accept our sincere thanks. If not, please have the adult (age 19 and over) with the most recent birthday complete and return the questionnaire as soon as possible. We are especially grateful for your help with this important study.

If you do not have a questionnaire, or if you have any questions, please contact Thom Allen by phone at 1-800-833-0867 or by email at survey.support@wsu.edu.

Many Thanks,
