Subject: WSU Doctoral Student Survey

Dear Jane,

Earlier this week we sent you a letter asking for your help with an important survey. We are conducting this study of WSU doctoral students to learn more about the processes they go through to complete their dissertations and finish their degrees.

I am following up with this email to provide you with an electronic link to the survey website. I hope this link makes it easier for you to respond. It should only take a few minutes to complete the questionnaire.

Simply click on this link and you will automatically be logged into the survey:

The results of this study will help us better understand the needs and experiences of students as they work on their dissertation research. Your participation is very important, and we appreciate you considering our request.

Sincerely,

Don A. Dillman
