Dear Nebraska Resident,

I am writing one last time to thank you for participating in the Quality of Life in a Changing Nebraska study. The responses we have received have been invaluable. If you have not yet had a chance to send us your responses, you are welcome to do so and we would still appreciate whatever contribution you can make. We will continue to accept questionnaires until September 30th at which point we will have to move to the next stage of this study.

If you have any remaining questions about this survey of Nebraska residents, I will be happy to help and can be reached by telephone at 1-800-480-4549 or by e-mail at NElife@soc.unl.edu. Also, if you are interested in results of this study, we plan to make them available by the end of the year on the University of Nebraska-Lincoln Bureau of Sociological Research website at http://bosr.unl.edu.

Thank you again for your contribution to Nebraska research.

Sincerely,

Kristen Olson
