Subject: Last Chance to Voice Your Opinion of WSU

Dear Jane,

Earlier this week, we mailed a paper questionnaire to those we have not yet heard from in our study of doctoral students at WSU. If you have already completed and returned the questionnaire, thank you very much for your help.

If you have not responded, we hope that being able to see all of the questions on the paper copy will help make it easier for you to complete the survey.

The semester is almost over, and we plan to start analyzing the results of this study next week. Therefore, we wanted to follow up one last time to provide you with every opportunity to share your thoughts and opinions with us. We hope that the results will be useful to WSU in thinking about potential improvements to doctoral education.

You can return the paper questionnaire in the envelope provided. Or, if you prefer to respond via the web, you may still do so—the questions are the same either way. Just click on the link below and you will be automatically logged into the survey website.

Thank you again for considering our request. We know this is a busy time of year for graduate students, so we truly appreciate your help.

Sincerely,

[Signature]
