Chapter 27: Mycobacterial Infections

Introduction

Mycobacterial infection

Classification

Epidemiology

Basic biology
27.2 Chapter 27: Mycobacterial Infections

Tuberculosis of the skin

Classification

General description
References 27.3

Basic biology

Diagnostic tests for cutaneous tuberculosis

Treatment

27.4 Chapter 27: Mycobacterial Infections

**BCG vaccination**

28 Primary inoculation tuberculosis

8 Primary inoculation tuberculosis

Scrofuloderma

Orificial tuberculosis

Acute cutaneous military tuberculosis

Metastatic tuberculosis abscess

Warty tuberculosis
